

*Father in Heaven for Jesus' sake,  
Stir up in the gift of your Holy Spirit,  
Confirm their faith,  
Guide their lives,  
Empower them in their serving,  
Give them patience in suffering,  
And bring them to everlasting life.  
Amen.*

**Faith Statement:** God the Father is the Creator of heaven and earth. God the Father forgives our sins and watches over us. Jesus is the Son of God and died on the cross to forgive our sins. Jesus is 100% God and 100% human to forgive us from all our sins. It's the Holy Spirit that is always with us, The Holy Spirit also protects us from bad things. The Holy Spirit also ties us together and makes us whole.

I will figure out God's plan for me by living life and reading the Bible. I see my faith getting stronger as I grow up and go to church. Praying is important in my faith life and in my daily life because it gets me through the day.

**Confirmation Verse:** Again, Jesus spoke to them, saying, "I am the light of the world. Whoever follows me will not walk in darkness but will have the light of life." – *John 8:12*

**Faith Statement:** God the Father is the God who made me and everything around me. He helps heal the people who are struggling and guides people where they need to go. He helps me to heal from sickness and when I get hurt. He also forgives my sins. God the Son died on the cross for us. By dying on the cross, he forgives my sins. He also helps me live everyday life. The Holy Spirit works faith in me and helps guide me towards my faith. The Holy Spirit helps me with my faith and helps it grow by being there with me everywhere I go.

God's plan for my life is to be successful and not waste my life on anything. As I grow up, my faith will also grow by learning new things. Also going to church more often will help too. Listening to music about believing in God is important to me in my life of faith.

**Confirmation Verse:** fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand.

– *Isaiah 41:10*

**Faith Statement:** God the Father is the Creator of earth and is the most powerful being there is. The Father rules over us, protects us, and gives us what we need. In my life the Father has given me many blessings and all the skills and talents I have. Jesus is the person that died on the cross for all of our sins. In my life and everyone else's, Jesus takes on all of our sins when we repent so that we can go to heaven. The Holy Spirit is God that is with us right now. He helps me in my faith by being with me and looking out for me.

I believe God's plan for me is to grow closer to him and understand His Word better. How I see my faith in the future will be getting stronger and closer to God by going to church and praying more often. The important things in my life of faith right now is going to church and praying.

**Confirmation Verse:** I can do all things through him who strengthens me.

**Faith Statement:** God the Father is the Creator of Heaven and Earth. He created the world to give us a life. God, the Son, is the person who died on the cross for us. He will come back and judge the living and the dead. The Holy Spirit works faith in our hearts and is Jesus' presence on Earth. Always guiding us through all things good and evil.

I think God's plan is to give everyone a good life through the Word. The best foundation to build a stronger faith is coming to church and by reading His word.

**Confirmation Verse:** "For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life. – *John 3:16*
